

Dear Friend,

Within every human being exists the potential to shine and be a light to others. It has always been the thrust of St. Theresa's College to nurture this light so that every graduate becomes a bright blessing to all around her.

Being a Theresian means being a disciple of Jesus, living a life that is simple yet full of purpose. As women of character, they have a natural inclination to uphold their environment and community.

Now STC is inviting you to help extend this way of life to promising yet less fortunate young children. Social inequalities prevent them from discovering their full potential, but **STC's Sambayan Educational Foundation, Inc.** or SEFI would like to change all that.

Imagine the kind of transformation you could spark by helping even just one individual unearth her talents and live up to her true calling. By empowering her, you will also be indirectly but unmistakably touching the lives of everyone else she reaches out to.

This is an opportunity to make a real difference. Any donations you wish to make would be most welcome. You may send them to the following accounts:

Account Name: SEFI BPI Sto. Domingo Branch
Account Numbers: Dollar Account - 0214-0121-11
Peso Account - 0213-1506-26

All deposit slips may be faxed to STC at (02) 740-1816.

US residents may also, upon paying a service charge of 5%, course their donation through Ayala Foundation USA to get a receipt for tax deduction.
